Gracemount Mansion Community Centre

Saturday 16th January 2016

3pm to 5pm

Wassail (meaning “be in good health”) is an old tradition in which people gather in orchards to drink to the health of the apple trees and wish them well for the coming harvest. We’ll have a bonfire, spiced apple juice and a lantern procession amongst the trees

The Open Singing Group, which meets in the Eric Liddell Centre at Holy Corner, will lead the singing of the Wassail Songs. New members welcome www.ocsg.org
